A child may be placed in a class based on his/her maturity level and academic development versus solely on his/her age. This would be at the sole discretion of the Director of Preschool.

In a loving Christian environment, both programs will help guide the children to grow in developing new social and age-appropriate academic skills and to lay the groundwork for their future school years.

Priority Registration: Returning students, their siblings and members of Crossroads have priority over the community until January 19, 2018. Application forms are now on-line and hard copies are available at the church's *Information Window*. Registration is handled on a first come, first serve basis. There is a \$100 non-refundable deposit, which half of that amount will be applied toward tuition. Class sizes are small, so please register early to reserve a
