

CROSSROADS
Presbyterian Church

Operating Budget: \$1,472,030 | July 2021—June 2022

WORSHIP Budget: \$433,966

As disciples of Jesus, we are called into community to worship and give thanks. We are blessed that our Worship Ministry provides us with different worship times with diverse, inspiring music and thought provoking messages so that we can choose an experience that we find personally most worshipful. Opportunities are also made available to express our love for Jesus through choir, playing an instrument, handbells, drama, dancing or reading scripture.

In addition to our Sunday Children’s message, ages 4-7 participate in Children’s Worship. On Wednesday nights, children and youth worship and learn together. Festival Sundays, children’s choir, and youth led services enhance multi-generational worship and help us share our faith for generations.

Providing care for a church family as large and diverse as ours, is no small feat. Our Church Life Ministry oversees the nurture, support and fellowship of our church family. They emulate the character of Jesus by supporting, loving and caring for one another, especially in times of need.

Our deacons are the hands and feet of Christ ministering to those who are sick, in need, lonely, or in distress; within our church family or beyond. Deacons also distribute home communion, and provide support for families during times of loss with funerals. This ministry also helps build community, facilitating fellowship events, dinners, and more. Reaching out to the community, the team supports Families Anonymous, Grief Share and more.

CHURCH LIFE Budget: \$292,146

MISSION Budget: \$334,225

At Crossroads, we understand who our neighbors are. Whether we are serving food, collecting needed clothing or supplies, putting up drywall, sewing quilts or tutoring a child, we know how to share our gifts of time, talent and treasure with our 20+ local mission partners. When doing so, our lives are transformed when we serve in His name.

We reach our neighbors far from home through multiple service mission trips annually for people of all ages and by financially supporting ministries and missionaries with whom we share aligned missions and visions. The operating budget figures above are in addition to mission donations from Crossroads Foundation, Gracious Gifts, VBS, and other special offerings.

An essential role of the church is to foster and facilitate the faith formation of our church family and our community. Our Christian Education Ministry team sources, creates, and teaches Bible-based lessons to groups of all ages. While some offerings focus on specific age groups, many provide multi-generational growth opportunities.

- Adult:** Bible studies, small groups, and retreats.
- Youth:** Sunday school, confirmation, Youth group, discipleship groups, trips, and events.
- Children:** Childcare, Sunday School, Milestones of Faith, Spark, VBS, and MOPS.

EDUCATION Budget: \$411,693
